

How to get to us by car

Casa San Carlo is situated 1 km outside the village of Monteleone d'Orvieto. The village and the house can easily be reached from the north and from the south via the A1 autostrada.

- Follow the 'Autostrada del Sole' **A1**. If you come from the north you will drive in the direction of Rome, if you come from the south you will drive in the direction of Florence.
- Take the exit FABRO. When you're driving through the toll gate, turn left towards SAN CASCIANO DEI BAGNI, ORVIETO and FABRO SCALO (SS71).
- After ca. 1 kilometer you go left again, in the direction of SAN CASCIANO DEI BAGNI, CITTA DELLA PIEVE, CHIUSI en PONTICELLI.
- After 2,3 kilometer you will see traffic lights, and a sign for SANTA MARIA on your right hand side. Turn right here. This means taking the little steep bridge onto a smaller road.
- Drive straight on – this means you go under the viaduct, go straight on, untill the crossing. Here you go left, in the direction of MONTELEONE.
- **Do NOT go right in the direction of MONTELEONE, just ignore this sign and drive straight on, after which the road is unpaved.**
- After 1.4 kilometers of this unpaved road, you will come to a crossing with a road going uphill on your right. There is also a sign CASA SAN CARLO, standing at that crossing. Here you turn right to our road, called VOCABOLO PERUMPETTO.
- Keep on this road, just keep 'climbing uphill' and after 1.6 kilometers you will see Casa San Carlo on your right hand side, with the village of Monteleone d'Orvieto behind it.
- After again 800 meters you turn to right at our second sign, and will arrive at CASA SAN CARLO.
